

Important Matters

On Virtual Graduation

We are done with the online Announcement of Awardees of the Graduating students. Our teachers are now busy preparing for their virtual graduation, knowing how important this milestone is for them. These will be uploaded on May 29 & 30. Please wait for further notifications. The diplomas and medals will be available for pick up about 10 days after the ECQ is lifted. Our suppliers were not able to finish them because of the ECQ.

Distribution of Report Cards

Temporary report cards (eReport cards) will be emailed to parents by the third week of May. The delay is caused by the inability of some teachers to get their class records left in school. The official report cards will be distributed as soon as service offices resume work.

As earlier announced, settlement of back accounts will be a pre-requisite in the issuance of diplomas and report cards. Please email dlalp.acctg@gmail.com or dlabc.acctg@gmail.com for assistance in settling accounts through banks. The Report cards will be emailed as soon as these accounts are settled. Please understand that tuition fees are our major funds from which we draw allocations of teachers' and other employees' salaries.

As mentioned earlier, the school shall provide a platform exclusive for parents and teachers where announcements will be posted. You may also use this venue for your inquiries

Graduation and Moving up Fees

Since we did not hold traditional graduation and moving-up ceremonies, a portion of the remitted Graduation or Moving-up fees will be refunded. Only the cost of the diploma with jacket (P220.00) and the toga pictures (P450.00) will be charged. The excess amount will be refunded as soon as the Accounting Office resumes operation. Those who have not yet remitted any fees may just pay for the cost of the diploma with jacket and the toga pictures.

School Sanitation and Disinfection

We have requested our neighbor firemen in the nearby fire station to disinfect the DLA LP school grounds. In DLA Bacoar, we have negotiated with a company authorized to sanitize and disinfect schools and buildings. Our own janitors will sanitize and disinfect all classrooms and offices thoroughly using disinfectants like Lysol and Zonrox. All visitors will be subjected to

thermal scanning. Persons with fever and cough will be denied entry. Likewise, all employees and/or visitors will be required to wear masks while in the school vicinity.

Online enrolment & Online Application for Entrance Examination

Our school year starts on **July 15**. Online Applications for Entrance Examination and Online Enrolment are on-going. You may use the following links for this purpose:

For new students:

<https://forms.gle/coaZEsYzBR8nobPq5> for DLA LP

<https://forms.gle/dxkeTpZr8FMPjiUh8> for DLA Bacoor

For old/returning students:

<https://forms.gle/EM1K8apYjS72vLFv5> for DLA LP

<https://forms.gle/jUDuBkNic89UYiTX8> for DLA Baco

Tuition and Miscellaneous Fees

As previously announced, there is **no tuition fee** increase this school year. The printed books and notebooks, the GENYO subscription and the ROBOTICS subscription and materials are already included in the miscellaneous fees. The initial school supplies of the Preschoolers are likewise included in these fees. Parents of the Preschoolers will be notified which of these school supplies will be brought home and which will be left in school. Due to the present set-up, we are reviewing the miscellaneous fees to determine possible reductions in some items.

Furthermore, field trips, spiritual retreats, recollections and other school events like PALARO, Buwan ng Wika and stage plays are not allowed this year due to the social distancing requirements.

Dear Parents and Students, while we are grappling with the difficulties and inconveniences of the ECQ brought about by the pandemic, let us continue praying together and for each other. Our Lord is just and merciful. We strongly believe that He will protect us and will always keep us in the palm of His loving HAND.

God bless us po & see you soon!
