

Additional FAQ's

- 1. Do parents have an option to choose which of the three learning modules to avail?**

Answer: The teacher will choose the learning mode to use, which will depend upon the digital group your child belongs to. Please refer to **FAQ #5**. Sometimes the mode of delivery depends upon the nature of the lesson too. For instance, a new lesson is introduced usually with a synchronous face-to-face online lesson, for more emphasis.

- 2. In the modular or home-based learning, who will deliver or pick up the modules?**

Answer: The modules will be available in school. Parents or guardians may pick them up from a designated place in school, or from the guardhouse should the parent/s request/s for it.

- 3. It was mentioned in the site that a publishing house is offering sale of laptops/tablets? Is it compulsory?**

Answer: No publishing House is offering sale of any gadget. We advise parents to buy laptops /gadgets on their own. Specs: _____

- 4. In the online learning mode, will it be required for every child to have his own laptop/ gadget or he has to share this gadget with his siblings?**

Answer: We have provisions for siblings sharing laptops and other gadgets. That is why parents are asked in the survey how many siblings will share the same gadget.

- 5. With the financial crisis that parents are facing, due to the COVID pandemic, is there a possibility of moving to a later date?**

Answer: We will push through with the opening of classes on July 15, 2020. Please refer to **FAQ # 1**
